Entry Form

Great to have you participating!

In the appendix to this form, you will find many important details about the European Championship, such as daily schedules, class descriptions, a site map, and a summary of key rules.

Please note that we are doing our best to ensure the smooth running of the European Championship.

If your horse is not a purebred or registered Tennessee Walker, or if you own a gaited horse of another breed, you are welcome to compete in the All-Day Pleasure and Versatility or Fun Classes.

On **Thursday, September 11**, there will be a clinic with the judge. This clinic is free for dual members. Also on Thursday, a **Showmanship Clinic with Sandra Semmler** will take place, which is also free for dual members.

On **Friday evening**, we are hosting a **membership meeting** in the bistro area — this is also open to our newly joined members. If you'd like to become a member, you can find membership applications at the registration desk.

On **Saturday evening**, there will be a **dinner** for all participants and their guests (registration required in advance).

We look forward to a joyful weekend together with old and new friends!
